Supreme Commander J. Eddie Tigner

Hello PCS, Colonels and Jaycees!

What a great time we have planned for Gatlinburg! I hope you are making plans to attend. Also congratulations to the 2009 Tennessee Jaycee President Susan Sumner and her officers! We look forward in working with you in 2009. The Volunteer Corps has a long history of supporting the Jaycees and we plan on continuing that tradition this year. I want to make sure our Colonels are helping as needed.

The Volunteer Corps now has a website, go to www.TNJCVolunteerCorps.com

See you in Gatlinburg!

**J. Eddie Tigner
Supreme Commander**

To all you colonels hope to see y'all in Gatlinburg and I hope the SC. Tigner had a great Christmas and a great new year and the same for the PSC's see you in the mountains

COL.BIGSEXY 954

**Tennessee Junior Chamber of Commerce
2008-2009 Vice Commander of Administration
Cell Phone (423)463-9409**

Col. Big Sexy shared this picture of himself as a child. Said he always wanted to be BOY George!!

Is it just me or does the guy in the background taking off his pants look like Col. Joey Mott?

***** VICE-COMMANDER OF RECRUITS *****

Chip Wampler #934

Well it's hard to believe that Gatlinburg is just around the corner. Hope that everyone had a great Christmas & a Happy & Safe New Year. Looks, as if we will have a fun filled Corps of Corps meeting in Gatlinburg.

I heard a rumor that Col. Tommy Thomas may have something interesting to tell us in Gatlinburg. Of course Col. Thomas is always doing something interesting that he has to explain!!!!!!!!!!!!!!

Now to some more serious business, If you have not been reading the MMM start reading it. (You can get it on line). The numbers in our organization are dropping at an alarming rate. We can not survive at the rate we are going.

I am sure there are some of you reading this asking, where is Chip going with this. I think I can speak for the Supreme Commander, Past Supreme Commanders, Vice Commanders & Corp members, if we did not love this organization we wouldn't still be active.

We as Corp members need to quit talking about helping & step up to the plate & start helping. There are some of the best Jaycee's with some of the best talents in the Volunteer Corp. I am challenging each & everyone one to recruit a new member into this great family & take time to go out and help a chapter do a project.

Let us be the affiliate group that steps up to the plate & gives that helping hand that is so much needed at this time. Let us be the affiliate group that sets the fire to turn our family around.

Look forward to see everyone in Gatlinburg . Be safe & let's have a great convention.

In The Sprit of Orange,

Col 934 Chip Wampler

**Past SC Buffalo Butt!!
Colonel #702 Dudley Griffin**

It seems PSC Griffin was too busy doing that BBQ stuff he enjoys so much to send an article in to the newsletter!! I wonder if the other Cooking Colonels know how he acts when he isn't with them.

That really makes me not want to eat any BBQ for a long long time!!

*Chaplain
Art Roper #1021*

Thank you for the opportunity to serve as your Chaplain this year. I look forward to seeing all of you in Gatlinburg for our February board meeting.

Please keep our members with special requests in your thoughts and prayers. Be safe as you travel across the state spreading the Volunteer Corp. spirit and have a Blessed month of February.

*Col. 1021 Art Roper
Chaplain*

*****TREASURER***
PAY UP SUCKERS!!!!!!**

*Greetings fellow colonels,
This is to serve as a notice that there will no longer be any Corps dues!! There how ever will be a fee for saying hello to me from this point forward. Funny how that fee is the same price as the previous mentioned Corps dues! See you in Gatlinburg, I hope a few times!*

Col. Reggie Lawrence #960, Treasurer

*****SECRETARY OF THE CORPS*****

Dewayne Sumner #1051

Greetings Colonel's,

Hard to believe that another year has come and gone! I read Col Wampler's article and I had to agree with him. If we as Colonels don't start doing something soon to make sure our organization (the Jaycees) are not stronger then we can forget about this organization! I know President Susan is ready to work with the Corps and utilize the expertise we have within our ranks! I want to encourage all of you to please send me articles or anything you would want to see in this newsletter.

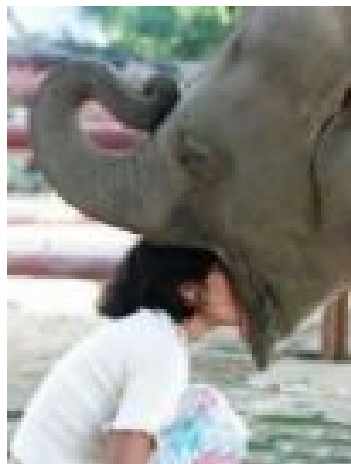

My e-mail is dsm2061@bellsouth.net send anything to me that you would want to see in the newsletter.

*****SERGEANT-AT-ARMS*****

Col. Cathy Jernigan #1075

This space reserved for the Sgt!

Cathy was too busy to send an article into the newsletter, due to her extensive work as elephant breathe tester at the zoo! She has practice in this being married to Col. Todd Jernigan

*****ASST. SERGEANT AT ARM***
Col. James Anderson, #959**

Col Anderson was unable to submit an article. According to my sources he enjoyed one to many adult beverages and this is what happened

I wanted to say thank you to PSC Etherton for the nice Christmas card he sent me. If you didn't get one I am enclosing the picture of PSC Etherton that was inside. It is a very nice Christmas sweater you had on!

Things that make you think!!

A baby octopus is about the size of a flea when it is born. (Sounds like PSC Pollok)

A catfish has about 100,000 taste buds. (Funny the way PSC Etherton dresses I would say he has NO TASTE)

A leech has 32 brains. (And PSC Griffin doesn't even have 1, life just isn't fair)

A turtle can breathe through its butt. (We all know a bunch of PSC's who talk out of theirs)

A barnacle has the largest reproductive organ of any other animal in relation to its size! (To bad this isn't the same for people, if so Big Sexy would be a happy man)

A goldfish has a memory span of 3 seconds. (Reminds me of PSC Davis)

Our eyes are always the same size from birth, but men's noses and ears never stop growing. (That explains why PSC Blackburn looks like he does!)

A penguin only has sex twice a year. (Sounds like me! LOL)

Starfishes haven't got brains. (To many PSC's to pick from on this one)

We also had another PSC who had some minor or I guess you could say some major work done over the holidays. I think PSC Spears should not have done this, but to each his own. Here is a recent picture sent to me by PSC Spears:
