From the Desk of.....

Supreme Commander #44 Chip Wampler

It is hard to believe that a quarter is over already, but it is! I attended the Corp of Corp meeting in Atlanta, Georgia. The Tennessee Volunteer Corp had a large delegation there & a large time was had by all. Just ask Col. Big Sexy Mosier that is if he can remember it! The Tennessee Volunteer Corp inducted 8 honorary Corp members @ this meeting.

In my travels this quarter, I also attended the Clarksville Jaycees North Tennessee State Fair & was extended the opportunity to sell beer. I know what you all are thinking.....that was a hard chore for me but, I did it. I did notice there were a couple of Clarksville colonels that were proud to be colonels & showed it by wearing their hats. The rest of you Clarksville colonels be sure you bring plenty of money to Corp meeting in YOUR town, Clarksville, because I am ready to come home RICH!

Speaking of the Corp meeting....The TNJC Board Meeting, hosted by Clarksville, is just around the corner. The dead line for registration is approaching! I am challenging all Colonels to get registered & show the state organization that we are behind them.

The Tennessee Jaycee's are to be commended for another month at growth. Keep up the good work as this organization is near & dear to the Volunteer Corp.

Colonels are we doing all we can do to help the Tennessee Jaycees? Are we recruiting new members? Are we showing up to assist our local chapters with a project? If your answer is no, then I ask you why? Believe me I have heard all the excuses. I have done my time; I am aged out; It's time for the chapter to stand on its own with their of age members. Then I wonder....but yet we still want to have Corp meetings @ conferences. Hummmm.....

The Tennessee Jaycee's need our help more than ever. I'm not asking you to go run their Chapters or run their projects. What I am asking is that you offer a lending hand. Offer the expertise that we have through the training *we obtained from this organization*. Have an **open** mind when talking to and working with these local chapters. Don't be closed minded to their ideas. They are young people like we were years ago & we learned by our mistakes. This is a new generation with new ideas, let them learn as well! Who knows, if we would open our ears & close our mouth we might learn something too! I say these things because I love this organization as you do. I have been given opportunities that I would have never had if it were not for this organization and you have too. I want to see the next generation have opportunities given to them that were given to us through the Jaycees. I want to know that there is going to be another 25 years of Camp Discovery! We can only do this if we assist and mentor, not tear down and bad mouth!

In closing, remember the families of the Colonels that have passed this last quarter; also please remember our brave Men & Women in the Armed Services as we know how unstable these times have become, and how much danger they are in.

I look forward to seeing everyone in Clarksville & bring LOTS of money!

It is hard to believe that I am "Past" Supreme Commander already! Time goes by so quickly that just when you get started; it is coming to an end! I want to thank the Corp Officers from last year for their work and all of you colonels for the support and work that you did last year!

One last thing, I want to thank everyone for their continued support and prayers; it means more than I can put into words!

VC of Admin Say What?

Greetings,
Past Supreme Commanders,
Supreme Commander
And fellow Colonels,

I heard that everyone had a good time at Camp Discovery. I want to thank those Colonels that help me set up the meeting location, pool side, and assisted Tony clean up afterward. I missed the meeting due to a conflict in scheduling. I had another banquet to attend, my son's first to receive an award – advancement in Cub Scouts.

Some good news is after cleaning up on Sunday at Camp; extra beer was found and donated to the Corp.

I am looking forward to the GREAT hospitably the Clarksville Colonels will be sharing on August 1st.

Do As I Say....Not As I Do! VC of Recruits!

Hello Colonels,

Well I have been used to picking on all of you after serving as Secretary of the Corps for the last 2 years and I want to thank all of you for allowing me to do just that. I also want to Thank PSC's Buffalo Butt and Tigner for giving me carte blanche to have fun in that position.

So with that being said, I have a new title that I didn't even know I was running for. LOL Thank goodness the U.S. elections don't work that way, if they did we might be calling PSC Etherton – Mr. President. OOOHHH NNNOOO!!

Since I really don't know what my duties are yet, I am assuming it is up to me to get you all to help get recruits into the Corps. So here goes: Get People into the Corps. I guess I am a natural. LOL

Seriously, I decided I would look up the definition of recruit and here is what I found.

1. To engage persons for service.
2. To strengthen or raise a force by enlistment.
3. To supply with new members.
4. To enroll or seek to enroll.
5. To replenish.
6. To renew or restore the health, vitality, or intensity of the group.

Interestingly enough I think that is exactly what my job is. I am asking you to look around your Jaycee chapters, look at past Jaycees you came through the ranks with or any of your friends that have not been given the honor of becoming a colonel. Read the definitions again and realize we have to replenish ourselves, if we are not actively putting people in Corps then how can we expect the Jaycees of today to see the importance of the Corps. I am challenging you to help us induct at least 4 people into the Corps in July at the convention in Clarksville. If you make that happen SC Wampler will conduct the meeting in drag and will be joined by PSC Griffin. I know I want to see that for sure. I have it on good authority (Troy Baxter and Joey Mott) that they both dress that way on weekends anyway, so let's make them do it in front of us.

I look forward to taking care of the recruits that you all submit. Remember to get the names of those into myself and to SC Wampler ASAP, and if you have someone that you want to put in let me help you get them to conference to make it a reality.

The cost of growing our organization is minimal compared to the enjoyment we receive from it! I will be promoting the Corps with the Jaycee chapters and across the state, so let me know if you want me to talk with a chapter about a possible recruit.

Together we can, Grow the Corps.

He Gets Down on His Knees and Prays.....

Apparently Colonel #761, Joey Mott, has taken his duties as Chaplin SERIOUSLY! It is my understanding that he was unable to write this newsletter article because he has been on his knees a little too much lately!

Chaplin Joey, if you were praying, then how do you explain all the carpet burns on your knees?

Watch it wiggle, See it jiggle.....Camp Liaisons

We are NOT talking about our stomachs either! We are talking JELLO!

We are going to be selling JELLO shots at the convention to raise money for both Camp Discovery & The Tennessee Volunteer Corps! So bring your dollars & come prepared to taste our creations!

We normally are seen cooking over a grill, so what a new and different experience for us! We would like to thank Supreme Commander Chip for the opportunity to serve this year on his team!

We would also like to thank the Supreme Commander for coming out to the Clarksville Jaycees North Tennessee State Fair!

Looking forward to welcoming you "OUR" home town, Clarksville, for the 2nd Quarter Convention!
